SEASON XV

PLAYER CONDUCT RULE BOOK · A CULTURE BOOK FOR OWNERS AND PLAYERS

THE SHOWTIME STANDARD

How we welcome every guest, every Game Day.

SHOWTIME ARENA, MEADOW HALL, LEKKI, LAGOS

EFFECTIVE 19 OCTOBER 2026

WELCOME

EVERY SEAT IS SOMEONE'S FIRST GAME DAY

Showtime is growing. The Arena at Meadow Hall is a public sporting and entertainment venue, and the people who buy a ticket are the reason this league exists.

This book sets out how we, the players, owners and managers, make sure every guest, family and first-time visitor feels that they belong here and wants to come back.

Effective immediately, these standards apply to every player at every Game Day.

> **IF SHOWTIME IS GOING TO BECOME A MARKETABLE SPORT, IT MUST BELONG TO THE PEOPLE.**

PICTURE THEIR FIRST GAME DAY

A guest has paid to watch a game. They take their seat, and then balls fly over their head, players change clothes in the stands, sweaty players walk between seats and others stand where they block the view.

THEY SHOULD NEVER SEE

- ✕ Balls thrown over their heads
- ✕ Players changing clothes in the stands
- ✕ Sweaty players walking between seats
- ✕ Players running between rows
- ✕ Anyone standing where they block the view

THEY SHOULD ALWAYS FEEL

- ✓ Welcome from the first step in
- ✓ Comfort, with their space respected
- ✓ A clear view of the game
- ✓ That they belong at Showtime
- ✓ A reason to come back

WHY WOULD THAT SPECTATOR RETURN? OUR JOB IS TO MAKE SURE THE ANSWER IS YES.

FOUR PRINCIPLES BEHIND EVERY RULE

1 RESPECT

For every spectator, family and visitor: their comfort, their space, their view.

2 BELONGING

Every guest must feel they belong at Showtime, not that they are intruding on someone else's space.

3 PROFESSIONALISM

We carry ourselves as a professional sporting league, in and out of kit.

4 ACCOUNTABILITY

Owners and managers answer for their players, and players answer for themselves.

OUR VISION

TO BE THE GLOBAL LEADER IN FLAG FOOTBALL, INSPIRING A DIVERSE COMMUNITY AND FOSTERING GROWTH, INCLUSIVITY AND EQUALITY AT EVERY LEVEL OF PARTICIPATION.

That future is built by the experience we create for the people who come to watch.

THE SEVEN STANDARDS

STANDARDS 1 & 2

1 RESPECT FOR SPECTATORS

Players must respect the comfort and personal space of spectators, families and visitors. Throwing balls through the stands, changing clothes in the bleachers and other disruptive activities are prohibited.

✓ DO	✕ DON'T
Keep a courteous distance from seated guests	Throw or kick balls through or over the stands
Apologise and step around politely when you must pass	Change clothes in the bleachers
Keep balls on the pitch or in your bag	Push, climb or lean through rows of guests

2 RESPECT FOR SHARED SPACES

Players must not occupy, obstruct or dominate public areas in ways that inconvenience spectators or other Arena users.

✓ DO	✕ DON'T
Keep walkways, entrances and stairs clear	Claim rows or sections as a team base
Move on when a group of players is blocking others	Stand in aisles or in front of seated guests
Use team areas for team gatherings	Leave kit or equipment in shared areas

THE SEVEN STANDARDS

STANDARDS 3 & 4

3 WELCOMING ENVIRONMENT

Every visitor must feel that they belong at Showtime, not that they are intruding on someone else's private space.

✓ DO	✕ DON'T
Greet visitors and point them the right way	Stare at, joke about or crowd around visitors
Act as a host, not as the owner of the space	Treat any part of the Arena as reserved for your group
Make first-time guests feel at home	Let familiarity make others feel like outsiders

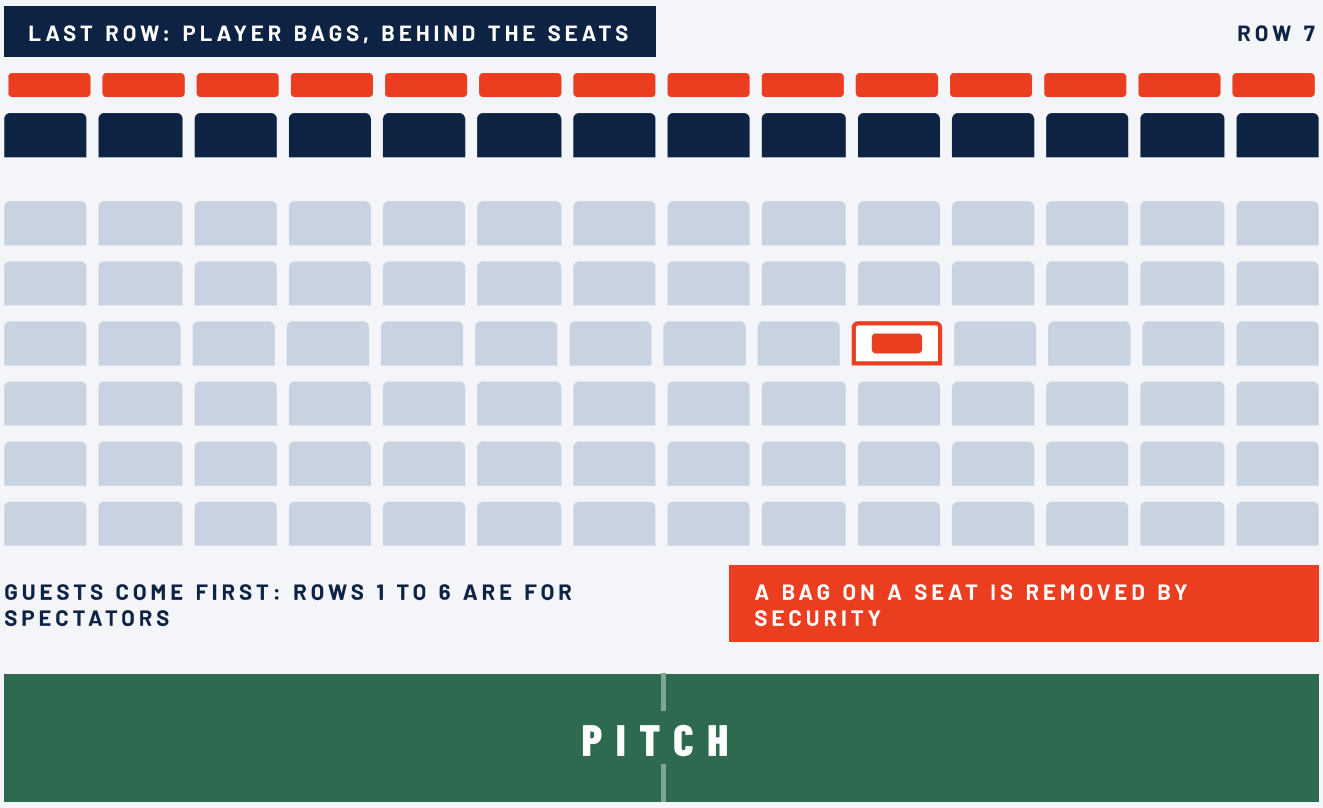

4 POST-GAME CONDUCT

Once games are concluded, players remaining in the Arena must conduct themselves as members of the public sharing an entertainment venue with paying customers.

✓ DO	✕ DON'T
Collect your belongings and leave the sideline promptly	Walk among guests in sweat-soaked kit
Change into clean clothes in the proper area	Hold loud celebrations among seated guests
Enjoy the next game as a considerate guest	Linger where you block the view or the walkway

5 BAGS AND PERSONAL BELONGINGS

Players with bags may only use the **last row** of Arena seating, with bags kept **behind the seats**. Bags placed on seats will be removed by security and released only upon payment of the applicable violation fine.

Illustrative, not to scale

✓ DO	✕ DON'T
Take your bag to the last row before kick-off	Put a bag on any other seat
Keep it behind the seats and out of the aisle	Leave bags in walkways or at entrances
Collect everything when you leave	Expect a bag back without paying the fine

THE SEVEN STANDARDS

STANDARDS 6 & 7

6 RESPECT FOR PERFORMANCES

During organised performances, there must be no unnecessary movement, side conversations or disruptive behaviour. Players must either remain seated throughout the performance or leave the bleachers before it begins.

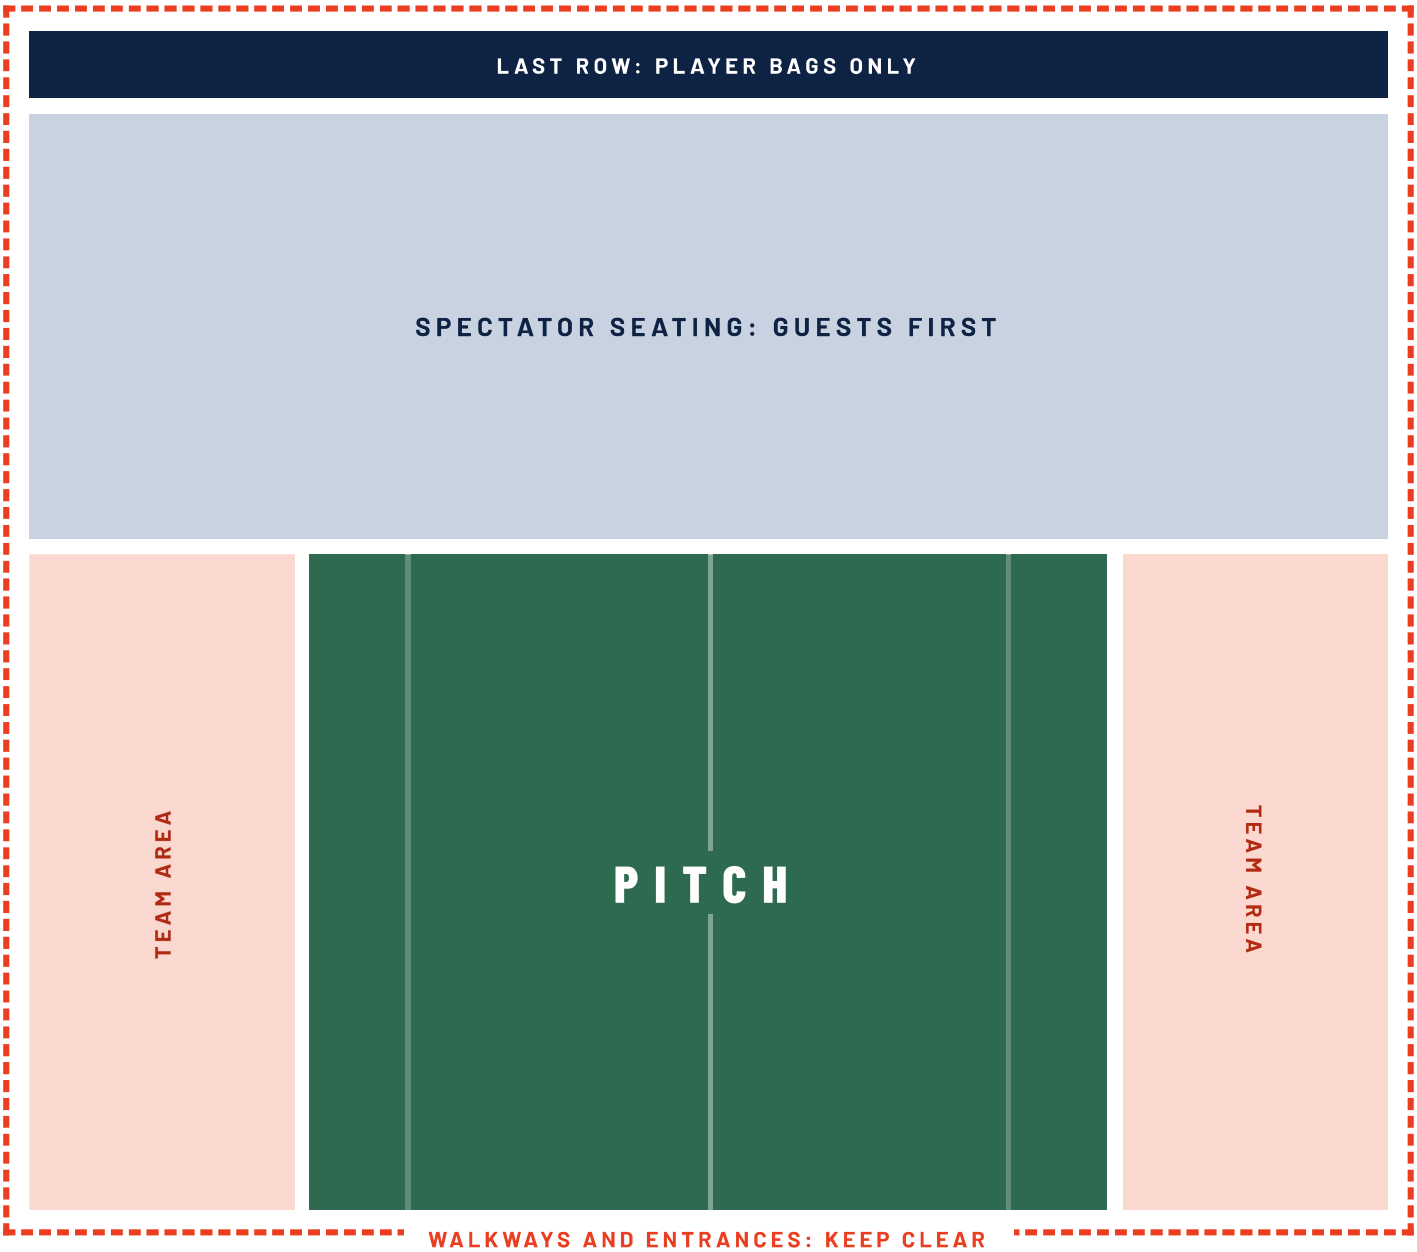

✓ DO	✕ DON'T
Take your seat before it starts, or leave the bleachers	Walk in front of seated guests during a performance
Stay seated and quiet until it ends	Hold side conversations or move around
Applaud, enjoy it and let others enjoy it	Drift in and out of the bleachers mid-show

7 TEAM ACCOUNTABILITY

Team owners and managers are responsible for communicating and enforcing these standards among their players.

✓ DO	✕ DON'T
Share this book with every player	Assume someone else will say something
Brief your team before each Game Day	Wait for security to deal with your players
Step in early when you see a breach	Treat a breach as a one-off

GUESTS FIRST, EVERYWHERE

Illustrative layout, not to scale

Players: pitch and team areas
Stay in them unless you are a guest in the stands.

Guests: seating and walkways

Last row: bags only
Players with bags use the last row, bags behind the seats.

Shared spaces
Share them. Never dominate or block them.

SMALL THINGS GUESTS NOTICE

1 HOST MINDSET

You know the Arena. Help guests find a seat, the exit and the next game.

2 FAMILY-FRIENDLY

Keep language and humour suitable for families and young visitors.

3 KEEP IT CLEAN

Use the bins, take your bottles and kit with you, and leave a space better than you found it.

4 RESPECT THE TEAM BEHIND THE GAME

Treat staff, volunteers, security and officials with courtesy at all times.

5 FOLLOW INSTRUCTIONS

Safety and security instructions apply to everyone. Comply first, discuss afterwards.

6 SMILE, YOU ARE ON SHOW

Cameras, sponsors and first-time fans are watching. Showtime is how we all behave.

HOW THE STANDARDS ARE ENFORCED

Standards only work if they are applied fairly and consistently. The League follows a clear ladder, and may move to a later step where a breach is serious or repeated.

01 · REMINDER ON THE DAY

Security or Game Day staff remind the player of the standard, and the team owner or manager is told.

02 · WRITTEN WARNING

The breach is logged by the League and a written warning goes to the player, copied to the team owner.

03 · FINE OR SUSPENSION

For repeated or serious breaches, the League applies a fine or suspension. Fine amounts are published by the League.

04 · REMOVAL FROM THE ARENA

For serious misconduct or continued breaches, the player is asked to leave the Arena.

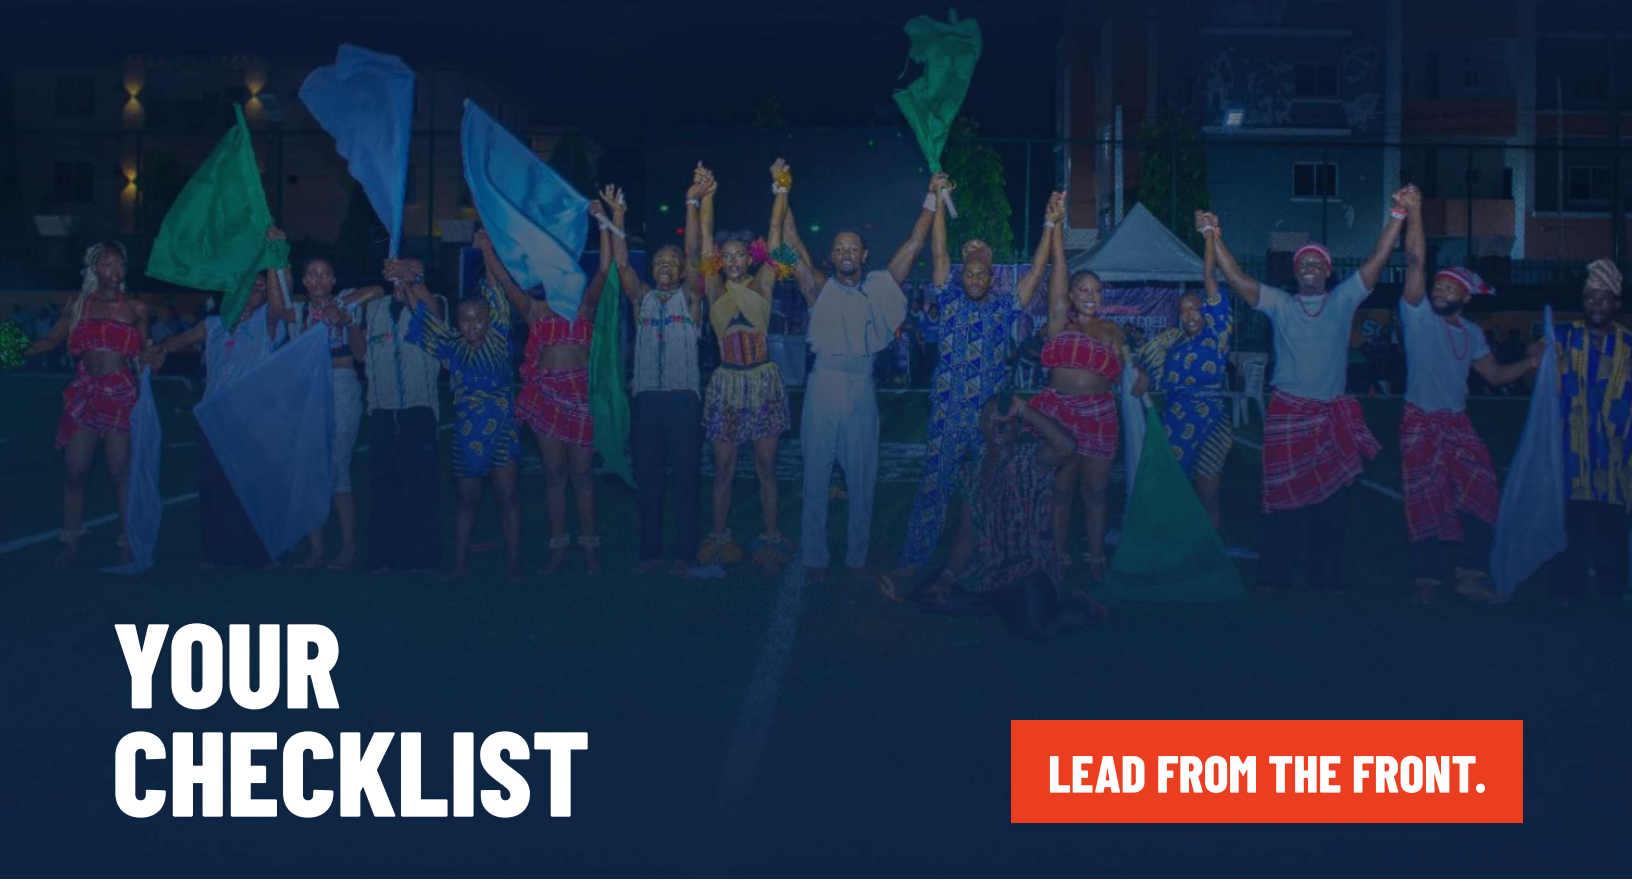

TWO THINGS TO REMEMBER

BAGS

A bag left on a seat is removed by security and released only upon payment of the applicable violation fine.

TEAMS

Repeated breaches by a team's players are raised with the team owner, who is accountable for communicating and enforcing the standards.
